

# MyCarLocator2 Checklist

**1** In order to have the correct rates showing rather than your base rate on MyCarLocator2, you will need to set your rates in Nexus 2.

**2** HP and PCP products will now be available on MyCarLocator2. You will need to control which products are visible on your vehicle adverts via your product settings in Nexus 2. Please note, this will also reflect which products are shown when quoting on Nexus 2.

Use these buttons to toggle product visibility.

Product Type	Product Name	Lender	Commission	Visibility on Platform	Select
PCP	MotoNovo PCP Car	Motonovo Finance	12.9% APR	<input checked="" type="checkbox"/>	<input type="checkbox"/>
HP	MotoNovo HP Car	Motonovo Finance	7% APR	<input checked="" type="checkbox"/>	<input type="checkbox"/>
HP	MotoNovo IAR HP Car [Pause]	Motonovo Finance	7.9% Flat Rate	<input type="checkbox"/>	<input type="checkbox"/>

**3** Remember to upload your stock via your stock feed provider.

**4** You will need to have access to Nexus 2 to get all your leads, to set your rates and manage your products. If you do not have Nexus 2, please contact your MotoNovo Finance Account Manager.
